

5.2 English w/b 29/06/20

Good morning 5.2 😊

It was great to see so many of you last week at the joint Zoom with 5.1/5.2! I really enjoyed hearing how you have been and learning of some of the positives about your time at home. Your task for this week is below. Please email me, Maxine or Najeeb if you need any help.

Have a great day!

Sophie

Task 1:

It would be great to hear about what you have done since we all met last week. Can you use a range of verbs (doing words) and adjectives (describing words) to describe what you have been doing? I have attached some word mats to assist you.

Here is my example:

I **loved** the **hot** days and sunshine last week. I have **enjoyed growing** my own vegetables during my time at home. In addition, my children and I **planted** sunflower seeds in March. We have **eight** and they are now as **tall** as the fence and **flowering** beautifully. On Friday, I **enjoyed sitting** outside with a coffee **looking** at them and **watching** the bees **buzzing** around, **collecting** pollen.

I **felt excited** to see my brother on Sunday! He has a puppy Black Labrador called Cooper; he is **adorable**. We **met** in a **glorious, green** park and it **was wonderful** to **see the joy** the dogs took in **charging** around together. Afterwards, we **sat** together in my brother's garden and Cooper **tried** his best to **steal** snacks! He **was not successful** and **gave up** to snooze in the sunshine.

Challenge: Can you highlight the adjectives and verbs you use? Try using two different colours and creating a key code.
