What are some of the things we do in Early Years?

water play

sand

soft play

Music

counting

messy play

Art

Swimming

Singing

Talking

understanding the world

Writing

cooking

Stories

play

PE

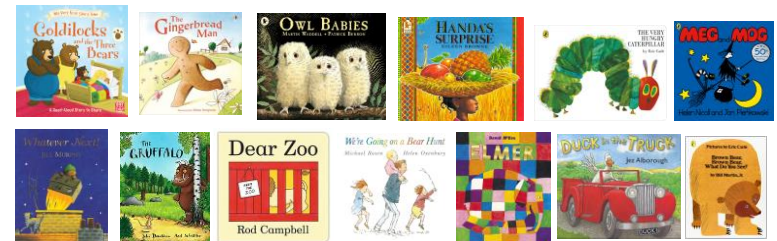

pretending

ABC

Phonics

Some of the Stories we love to read in EYFS

Reading is a passport to countless adventures!

Some of Our Curriculum Topics

Early Years at Wilson Stuart

Your journey at Wilson Stuart starts here...

Wilson Stuart's Early Years Department accepts children from two years old. The department consists of two classes – Caterpillars and Bees. Each class caters for different needs and learning styles and pupils are placed in the one most appropriate to their needs.

Each pupil has a Key Worker who has special responsibility for their development and well-being and will often be the person who, along with the class teacher, liaises with parents and outside agencies.

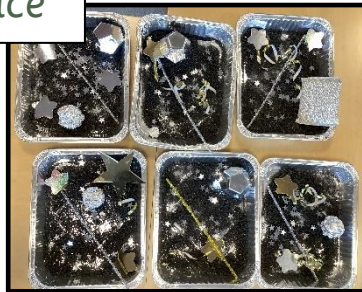

We recognise that children's Personal, Social and Emotional development underpins all subsequent learning and we work hard to ensure children develop high levels of confidence, resilience and independence and self-awareness. Children are offered a variety of playful experiences and stimuli in order to promote Communication and Language development, understanding and listening skills throughout the day. We work with our communication team to ensure maximum progress for each individual and children have access to communication aids where appropriate. Literacy skills are developed through a variety of activities such as regular sensory stories, song box, rhyme time and regular trips to the local library. We spend time with our children developing their early mathematical skills through play such as sorting and categorising, early counting and using number names as well as exploring concepts such as pattern, capacity and shape. We regularly consult with our Physiotherapists to ensure our children are being provided with appropriate challenge within their physical development based on their individual requirements.

We love what we do and have an extremely enjoyable time working and learning together!

Chinese New Year

Christmas

Transport

Traditional Tales

We request that all children wear School uniform. Uniform helps children to get into the mindset of school and is inclusive as well as practical and smart.

School Uniform

Optionally, school products with a logo are available from <http://www.clivemark.co.uk/schools/w/wilson-stuart-school.html?q=Wilson+Stuart>

Unbranded uniform is also available from most major supermarkets

No PE kit is required.

For Swimming your child will need a swim nappy, appropriate swimwear and a towel. Armbands and other flotation devices are provided by the school.

What do I need to bring to school?

All Nappies, Swimming Nappies and Wipes need to be provided from home. We prefer packs to be sent in to keep at School and we will let you know when we need more sent in via our school app.

If your child isn't toilet trained then Swimming Nappies must be worn when your child uses the pool for their weekly swimming lesson. These can be the disposable kind like "Little Swimmers" but older children (four years plus) may need to purchase the reusable kind available online at www.splashabout.com/disability

If your Child has a preference for a specific cup then this will need to be provided from home. Squash will also need to be provided if your child prefers this. Drinking water is provided at school. Your child will be offered fruit at school but if they prefer other snacks or if fruit is unsuitable for them due to their individual needs then additional snacks will need to be provided from home.

If your child requires thickener this must be provided with the prescription label on the container.

We request that all Parents/Carers provide their child with at least one full spare set of clothes to stay at school in a named bag. Your child will get wet/messy/dirty at times. School cannot provide changes of clothes.

Please purchase a **navy blue bookbag** for use for library books. Reading to your child is very important and we will send books to share weekly. Clive Marks have branded ones available or Amazon do plain blue ones.

Please make sure everything that comes into School has your child's name on including bags, shoes and coat.

Our School day starts at 9am and finishes at 3.30pm. If you are not using transport, please drop off between 9-915 (no later) and pick up at 3pm.

Who we are

Wilson Stuart is located in Perry Common, Erdington in the north of Birmingham. It caters for 229 pupils aged 2-25 years. Some pupils have additional difficulties including sensory impairment, learning difficulties, communication difficulties or complex medical conditions. We have outstanding purpose-built facilities and highly trained, enthusiastic and committed staff. This combination enables us to provide the specialised individual programmes required by our pupils.
