

## Wilson Stuart School Development Plan 2024-2027

### **Priorities: The Year of the Parent**

- Students and Parents to have a greater awareness and understanding of their / their child's disabilities (Curriculum Focus - PSHE / Personal Development / Project based learning).
- Develop the Parental role in generalising education – Understand Individual needs and replicate learning at home.
- Develop Preparing for Adulthood real life opportunities on site and off site.
- Improve the equality and diversity of the curriculum and wider school environment.
- Improve Parental Communication systems.
- Generate a structured approach to information sharing and support for parents and learners regarding disabilities.

- Improve Family Support networks (each other, school and other agencies) & develop the future of parent groups.
- Create a Student Attendance Improvement plan.
- Create a plan for pre and post school provision.
- Identify and commission a suitable Management Company to manage school facilities hire out of school hours.

### **Other priorities**

- Develop a model for research based teaching and learning.
- Create a 5 year Student centred Creative Arts Development Plan.
